

CONTRIBUTOR RELEASE FORM

Contributor release forms are essential, as they give consent for every young persons' involvement in this digital media competition. You, the 'Contributor,' remain the owner(s) of your work. However, without a contributor release form, we will not be able to screen the content submitted, this includes showcasing them on the National Young Persons' Digital Media Awards YouTube channel, our website, Focus Film School website, social media, or as part of young persons' Digital Media related events. By signing this form you are assigning copyright, moral rights and wide permission usage rights to the organisation/adult leading your video project. Please sign the form and return it to the project leader.
